Week 4 – 21st May 2014

Sharing Our News

Aboriginal Students let their imaginations go wild!
Each week our Aboriginal students have been working with Mr Kember on improving their writing skills. Students have been creating poems, telling stories about their lives and making up fantastic fantasies. Some of these stories have been published and some even submitted for print in the *Deadly Vibe* magazine.

Homework Centre a hit at King Street.
Last week was our best week ever in the homework centre. Mr Kember is now opening his doors on Thursday and Friday mornings to help students finish their homework and to work on their projects in the computer lab.

Getting a GRIP on Leadership
This Wednesday Mrs Maher and I will be taking our year 6 leadership group to Newcastle to take part in the Grip Leadership training day. This is always a great opportunity for our oldest students in the school to realise the importance of this position and to learn life skills that will enable them to better handle difficult situations.

Sports season in full swing
We are now in the thick of PSSA sports season with our boys and girls soccer, girls and boys touch and netball teams winning their first rounds convincingly. Later this week our senior Rugby league team plays their first game. In addition to this our horse Sports team did our school very proud by taking out school of the meet last Friday. All of our riders came home with prizes with many winning their age divisions outright.

Cancer Council ‘Biggest Morning Tea’

TOMORROW at Lunchtime

All Donations Appreciated
Have you got an old Smartphone?

Our Stage 3 students are extremely excited to begin the filming unit of their technology lessons. Stage 2 will also be participating in filming later in the year. We are asking families if they may have old smartphones that are not being used that could be donated to the school to use during these sessions. Please leave phones at the office. Stage 2 and 3 thank you!

2014 Athletics Carnival

King Street will hold our school Athletics Carnival on Monday, 16th June. This year, the carnival will be held at Alroy Oval, and the whole school (Kinder-Year 6) will be attending.

Students will travel to Alroy Oval from King Street by bus. The buses will depart at 9.15am and will return to school by 3.10pm. There will be full canteen facilities available at the oval.

We would like to remind parents/carers that this is a normal school day, and children are expected to attend. There will be no supervision at school on this day.

Further information and permission notes will be coming home with your children very shortly. There will also be information on the school website and via our School App.

We look forward to a great carnival!
KM Turns back the Clock…
KM had a very special visitor through the week. James’s grandmother very kindly brought some slates and slate pencils in for the children to use. It was a lovely experience for them to explore the type of equipment students used years ago. As you can see, they all enjoyed having a turn at writing on the slate.

Amazing Talent on the Netball Court
King Street students were treated to a very exciting ‘demonstration’ game of netball at lunch time on Monday. Warming up for their Monday afternoon match against Cessnock, our girls took on our very talented teacher’s team. There were some very skilful moves from both teams, and great sportsmanship displayed. Of course the score doesn’t matter, but it was noticed the girls were walking much easier than their opponents after the match.

‘Biggest Morning Tea’ Tomorrow
Each year at King Street we hold a cake stall to support the Cancer Council’s ‘Biggest Morning Tea’. All proceeds from the stall get directly donated to this very worthwhile cause.

The cake stall will be held TOMORROW, 22nd MAY at lunch time. If you would like to donate cakes/slices/toffees etc it would be much appreciated. Donations can be left in Mrs Kermode’s room. Please be aware we have students with allergies, particularly to nuts.

Thank you,
Mrs Kermode

Building Empathy at King Street
A few sessions each week, Year 2 students are treated to social engagement lessons with Mrs Griffiths.

The theme for this month is ‘building empathy’.

The students viewed a wonderful selection of artwork by painters without arms and tried to repeat the experience!

The children had a great deal of fun and have provided the following quotes about their experience:

Lucy R: “People with no arms are very good at using other parts of their bodies to paint with.”
Joseph S: “It must be hard for people with a disability to enjoy some things we do.”
Teisha M: “We watched a man without arms paint on You Tube. Then we tried to paint with our mouths and feet. It was VERY hard!”
Stevie-Lee M: “If you go to Google and type in artists without arms, you can see these clever people working hard.”
Another Successful Sporting Week at KSPS

Boys Soccer
Our boys soccer team had a convincing win last Thursday in their first PSSA match for the year. Playing the Small Schools team at Howe Park, the boys had a 4-0 lead at half time, and went on to win 7-0. It was a terrific team effort. Goal scorers for the day were Cooper (2), Ewan, Rhys, Sam, Harry, and Mitchell scored a great goal—considering he was a defender! Well done boys, and as always thanks to Mr Kelly for his coaching and guidance.

Touch Football

Girls PSSA
On Friday, King Street Girls Touch Football team played against Singleton Heights Public School at Civic Park. In a fantastic game, King Street came out on top with 5 tries to 1. All the girls played their best and showed some great supportive skills as a team. We had two brand new players to the team who got a chance to be on the field and learn some new skills from the other girls. They worked well together and represented our school with pride and enthusiasm. We eagerly anticipate our next game!

Upper Hunter PSSA Trials
On Monday night 12 students travelled to Aberdeen to trial for the Upper Hunter PSSA Touch Football teams. All students played great games, with 4 players being invited to be part of the Upper Hunter team at the Regional Trials next Friday. We wish Cooper, Harry, Josie and Campbell the very best of luck.

Horse Sports
On Friday 6 students competed at the Singleton Horse Sports hosted by the Mt Pleasant Public School at the Singleton Showground. First we started off in the morning events with the hacking and riding events, and after lunch there were the sporting events.

Our results were:
Thomas D: 4x 1st, 3x 2nd, 1x 4th, 10yrs boy reserve champion.
Chloe D: 1x 1st, 2x 2nd, 4x 3rd, 1x 4th, 8yrs girl reserve champion.
Cally H: 2x 1st, 2x 3rd, 1x 4th
Naite H: 4x 1st, 1x 4th, 1x 5th
Lara P: 1x 3rd, 1x 4th
Hayley P: 1x 5th
I won the highest pointscore for a Singleton student, and won a rug for my horse. We were very excited when King Street won the highest pointscore overall for a primary school!

Netball
On Monday the King Street Netball Team went to Cessnock to verse them in a netball game. Tori, Josie, Alyssa, Jude, Olivia, Karla, Ruby, Emily, Stevie and Mackenzie are the ten girls in the netball team.
The team warmed up and then the game started. We made a great start to the game by scoring the first goal! By half time the score was 16-nil KSPS way. There were some great goals scored by the shooters Ruby, Alyssa and Tori. At the end of the game the score was 23 goals to 1. Thanks to our great defenders Karla, Josie and Alyssa Cessnock were only able to score 1 goal. All of the girls played great and we could NOT have won without any one of them! All of us can’t wait until our next game!

**Newsletter Paper Saving Initiative**

At King Street we have a very proud environmental heritage and are always looking for new ways to take care of the world around us. The EWOKS would like to introduce to our parents/carers a new PAPER SAVING initiative.

Each week at King Street we print a few hundred newsletters, which is a lot of paper! We would like to trial offering families the opportunity to receive their newsletters by email. We have begun this process with our staff, and are already saving around 140 A3 pages of paper each week.

If you would like to take part in our trial, please fill out the following form and return it to the office.

**PLEASE NOTE THIS IS NOT COMPELSARY, WE ARE STILL VERY HAPPY TO DISTRIBUTE PAPER NEWSLETTERS EACH WEEK.**

Of course, our newsletter is also available on our school website: [www.kingstreet-p.schools.nsw.edu.au](http://www.kingstreet-p.schools.nsw.edu.au), and via the KSPS App.

If you have any questions please do not hesitate to contact me at the school office.

Cloudy with a Chance of Meatballs

As part of their literacy studies S3G have been comparing texts. We hope you enjoy these persuasive reviews that students have written this week with Mrs. Vern, comparing the book *Cloudy with a Chance of Meatballs* with the animated film of the same name.

If you love the book *Cloudy with a Chance of Meatballs* then guess what? You are going to die for this. There is a movie coming out on the 25th of May 2014.

The movie is going to blow your minds. You will love it! The colours in it are amazing! It’s funny, entertaining and made for all ages.

The movie is way more interesting than the book. It has good drama and action. The action includes flying food, spaghetti tornadoes and big disasters.

So come down to the cinemas on the 25 of May! I hope to see you soon.

By Amiece F. Year 6

If you loved *Cloudy with a Chance of Meatballs* the book you will blow your socks off when you see the new movie.

Firstly, it has amazing graphics and detail. You can see everything there is to see in the town of Chewandswallow. It has more characters and mystery. It will keep you on the edge of your seat!

Secondly, the book leaves you knowing everything which isn’t very exciting. The movie has loose ends that leave you with a feeling of suspense and wanting to see more. I’ve heard rumours that Disney are making *Cloudy with a Chance of Meatballs* 2 so get in early to see number 1, before number 2 gets released.

I rate this movie 5 stars. It’s the best movie I have ever seen. When you’ve seen it go to www.sjnoargus.com and tell us what you think.

By Kristen C. Year 6

If you loved the book, *Cloudy with a Chance of Meatballs*, you are just going to just die for the movie!

Firstly, you’re absolutely going to go nuts for the movie because the movie has more action. The action plays out in more colours and more characters which leads to more information. I can’t believe the movie is even funnier than the book. I didn’t think it was possible!

Secondly, it’s just the best movie. It’s got more depth than the book. It explains everything in more ways and better ways. It goes further into the story line.

NOW, you have two perfectly good reasons that the movie is better than the book. So go to the nearest shop that sells movies and get that movie NOW. It’s worth it.

By Shakira S. Year 6

I went to see the *Cloudy with a Chance of Meatballs* movie last weekend. If you thought the book was amazing, you will love the movie.

Firstly, the movie had a lot more detail and depth than the book did and the way they brought it out was amazing! In the book there was no explanation of why food rained from the sky. In the movie you get the explanation and a backstory of one main character.

Secondly, they had more characters which made the movie more lively and funny. They also give more points of view and different emotions throughout the movie. We would see one character who would be sad while watching something bad happen; then see another happy because they are kissing someone.

So go and watch *Cloudy with a Chance of Meatballs*, because you will have a ball of a time. Rating… 4 and a half out of five.

By Amber P. Year 6
If you loved *Cloudy with a Chance of Meatballs* the book you will absolutely jump out of a plane to go see the movie!

Firstly the movie will make you want to watch it all day long because it’s so entertaining. It’s way more interesting than the book with more colour and detail in the characters. You can really see their emotions!

Secondly the movie is filled with drama and action that will blow your mind and make you want to buy it from the shop the first day it comes out! There is fighting, disasters and lots of food falling from the sky.

So jump out of your plane and go buy your tickets now.

By Ewan K. Year 6

If you love the book *Cloudy with a Chance of Meatballs* you will love the movie *Cloudy with a Chance of Meatballs*.

Firstly you will love the movie because the characters have more life than the book. Their faces have more expression. If you look at the movie you look at the faces. I loved the facial expressions, especially all the happy and sad emotions on the faces.

Secondly, in the movie there is more colour. In the book it is black at the start while in the movie it is all colour.

The movie is much better than the book
By Diana P. Year 6

If you love the book *Cloudy with a Chance of Meatballs* you will absolutely hate the movie. It is completely different.

The book is better because it has a story inside another story. The book requires more imagination from the reader.

The book has much more depth of description. The book explains how it all began, before the storm when the town of Chewandswallow was a peaceful place to live. I really enjoyed that part of the book. That is why the book is better than the movie.

Jordan H. Year 6

If you absolutely loved *Cloudy with a Chance of Meatballs* the book, then man, you have got to see the mind blowing movie.

Firstly, the movie packs in so much more detail and you’ll be wanting to see more. If you’ve enjoyed the book with all of the emotions, colours, story and drama, the movie has at least 500 times the drama and awesome special effects. There’s kissing, fights with super cops and some awesome jokes and tricks.

Secondly, if you see all the characters your mind will be blown away. The book has hardly any characters so it’s a bit boring. But the movie has easily got over 30 characters with different minds; for example some are stupid whilst some are super smart. Wait till you see their entertaining humour. It will definitely make you crack.

Once you’ve seen *Cloudy with a Chance of Meatballs* the movie you’ll be zipped, but wait, the second one is coming out very soon with even more of everything.

Kindergarten Enrolment: Expressions of Interest for 2015

Developing a caring environment where innovation leads to strong opportunities through quality teaching.

Starting school is an important step in a child’s life. At King Street Public School we believe in the importance of strong home/school, teacher/parent partnerships from the very first day of your child’s schooling. For this reason, we organise preschool visits, and a 10 week Kindergarten transition program including our award winning ‘Storytime’ sessions. The transition program provides opportunities for children starting Kindergarten to settle into a school routine, meet their teachers, mix with groups of other children and engage in both structured and unstructured play activities. Kindergarten Orientation is held early in Term 4 each year. Our Orientation includes information sessions for parents, and classroom time for children.

As part of our planning process for next year we need to commence identifying pre-school children who may be attending our school in 2015. We invite you to please complete this Expression of Interest for each child in your family who will be attending Kindergarten in 2015 at King Street Public School. If you know of neighbours, relatives, friends or others who you think may be intending to come to King Street Public School, please let them know to contact the school on 6572 2281 for information about enrolling. Our school website www.kingstreet-p.schools.nsw.edu.au will also have enrolment information and relevant dates.
